- Food Services are considered an in lieu of service (ILOS).
- You can only receive one of the food services (MTM or Produce Prescription) at a time.
- It's up to you whether you use a food service if you qualify.
- You need approval before getting any food services. This is to make sure it's necessary and meets health guidelines. Please contact your provider to start the approval process.
- Walk-in requests are not accommodated at these locations. We encourage members to contact their provider or member services for assistance.
- If you have any questions, call member services at 1-800-903-5253
